Mobile Banking

BANK WHEN IT'S HANDY FOR YOU

When you're out and about, sometimes you need account information right at your fingertips. Now you've got it with Landmark Bank's FREE Mobile Banking. Transfer money, check your balance or pay your bills via browser, text or mobile application.

Enroll and Go! Mobile Banking at your fingertips.

1. Login to Internet Banking. Click on the Other Services button, then click on the orange Mobile button.
2. Read and accept the disclaimer. Then complete the enrollment form and submit.
3. You will receive two text messages on your mobile phone. Reply "yes" to complete the enrollment process.

If you are not a current Internet Banking customer, sign up online at LandmarkBank.com/InternetBanking.

Bank right in the palm of your hand – however *you* want.

THREE WAYS TO GO MOBILE

Text/SMS Banking

Accessing your accounts couldn't be easier. If you can send a text message or SMS, you can request information about your balances and recent transactions. We'll send you a text message right back with your most up-to-date account details.

To access, text: 469228

Mobile Web Browser

Using the Web browser on your mobile phone you can check account balances, transfer money, find ATMs and bank locations and even pay bills.

Login at: LandmarkBank.com/Mobile

Mobile Application

Download free mobile applications for your iPhone® or iPad® for a customized Mobile Banking experience with an even higher level of convenience.
